Donations Needed for Cannon's 4th Annual Festival of Wreaths

Pickens, SC - Planning is underway for Cannon's 4th Annual Festival of Wreaths and the hospital is looking for businesses, organizations or individuals to donate decorated wreaths for auction.

Wreaths will be put on display beginning November 28th in the hospital's main lobby area and will remain on display until December 9th, during which individuals can participate through a silent auction. On December 9th the hospital will conclude its Festival of Wreaths with a holiday drop-in reception in the front lobby of the hospital, where auction winners will be awarded their wreaths.

Any size of wreath will be accepted and it can be decorated in any type of holiday cheer. All wreaths should be made of artificial materials. No live wreaths can be displayed in the hospital. All of the proceeds from the event go to the Auxiliary's fundraising efforts for the digital mammography machine.

If you have further questions or are interested in donating a wreath to this year's Festival of Wreaths, contact Amanda Dow at 898-1252 or via e-mail at adow@cmhsc.org.
