New Test Offered at Cannon's Wellness Wednesday

Pickens, SC - Cannon Hospital's Wellness Department recently expanded the test being offered during their Wellness Wednesday. Beginning in July, participants can receive an HgB /A1C test for \$10, which is a common blood test used to diagnose type 1 and type 2 diabetes and then to gauge how well the patient is managing their diabetes. Tetanus shots will also be offered to adults at Wellness Wednesday. T-dap- which is a combination of the Tetanus and Pertussis vaccines are priced at \$42 and Td which is just the tetanus vaccine will be \$30.

Wellness Wednesday is held the first Wednesday of each month from 7:30-11:30am in Cannon Hospital's Acker Classroom. During this time, individuals can receive drastically discounted and some free health screenings and blood work. For a complete listing of Cannon's Wellness Wednesday offerings, log onto www.CannonHospital.org or call the Wellness Department at 898-1334.
